

CONTEMPORARY STYLE  
**MANHATTAN**<sup>™</sup>

Black finish

Maple finish

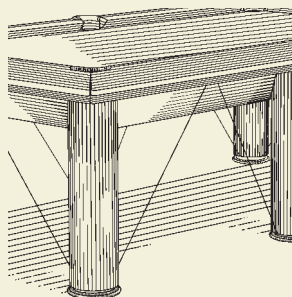

Boldly stepping into a new era, the cutting-edge style of the Manhattan reflects the tenets of today's contemporary design combined with the craftsmanship and world-renowned playability that Brunswick is legendary for. Sophisticated and sleek, this dynamic table is an exciting addition to any contemporary room.

CONTEMPORARY STYLE  
**MANHATTAN™**

DESIGN

The sleek styling of the Manhattan heralds a new era in Brunswick tables. Stunning in its presence, the table features natural maple or black stained rails, stainless steel, and diamond rail sights.

Constructed with either natural maple or black stained rails, stainless steel shields on the baseframe, and stainless steel legs with aircraft cables, the Manhattan is available in eight-foot and nine-foot models.

*Contemporary design features stainless steel legs with aircraft cables.*

**Dennis Foley**  
*Designer of The Manhattan*

Dennis has spent 30 years designing innovative products for Herman Miller, Inc., and others, and has designed the dynamic Brunswick Manhattan. Dennis' design credits include the Hannah stacking chair for izzydesign, the first personal computer incorporating disk drive technology and the first laptop computer at Zenith Data Systems.

PERFORMANCE

The Manhattan table presents faithful design aesthetics in the context of supreme engineering and superb performance and playability—hallmarks of the Brunswick nameplate.

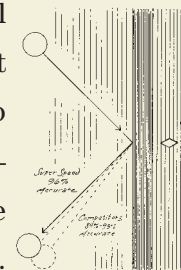

*High Performance™  
 Nut Plate*

The table features Brunswick's exclusive SuperSpeed® Cushions for extremely accurate rebound angles, Brunswick-certified premium slate, and High Performance™ Nut Plate construction for lasting table stability.

*Lifetime Ownership  
 Warranty*

As a result, balls play truer on Brunswick tables than on any other make. Backed by a Lifetime Ownership Warranty.

*SuperSpeed®  
 Cushions*
